

When asked for feedback about the week at VBS,  
here's what was said by the children and youth  
(all direct quotes):

**I will never forget:**

- The songs
- The fun lightning bugs and neat snacks we got to eat
- How much fun it was
- The VBS characters who help us remember God is with us, God is powerful, God forgives us and keeps His promises, and God lets us be safe
- All the fun times we had
- When we tried to protect our target with silly string
- The candles all lit up at the end of the night

**I had the best time at VBS doing:**

- I like the snacks we made and the other kids made
- Making crafts
- Going to Dockside Drive-in
- Making keychains
- The activities for the lesson each day
- The Bible Bayou Center
- All the games
- Making new friends

**"I will not be afraid", because ...:**

- Because God will always be with me
- God is with me
- I FEAR NOT – God is with me!
- I know God is with me
- God watched over us
- God is always with me
- I know that God is with me

**My favorite VBS song is:**

- The Powerful One
- All, I can't pick. I love to listen to them
- I Will Not be Afraid (x2)
- This Little Light of Mine (X2)
- You're Powerful (x3)

**The best thing about my crew was:**

- When Taylor was there and we had fun and I helped her not to be shy
- My teacher was so nice
- Jobs
- I made new friends
- My crew leader was funny
- The nice kids in my group
- We would always have fun with each other and Miss Deb was awesome!
