

Why go to Planet Wisdom?

We are planning to attend this event for the first time this year! We have made the choice to pursue this opportunity as part of our vision to see the youth going deeper in faith.

We believe that God is calling all of us to live lives that have been and are being transformed by the gospel of Jesus Christ, and that is the message and challenge of the sessions we'll be attending.

Planet Wisdom will be challenging, energizing, and exciting. This isn't a typical "retreat." The focus of this event isn't recreational activity, but rather on personal formation through participation in focused "program" sessions. Please take this into consideration when deciding whether or not

to come. If you sense God calling you to a deeper faith, and want to learn more, then this conference is for you!
